ANSWER KEY

Compound Words

A compound word is made from two smaller words.

examples: pan + cake = pancake

rain + bow = rainbow.

Underline the compound word in each sentence. Write the compound word and the two smaller words that form it.

1. Mary and I were sleeping in her backyard.

backyard = back + yard

4. Tommy and his brother love to go down to the riverbanks to catch frogs.

riverbanks = river + banks

5. John takes the subway to work every morning.

subway = sub + way

6. Strawberries are my favorite fruit.

strawberries = straw + berries

7. The favorite part of my vacation was when I got to ride in the airplane.

airplane = air + plane
