Dolch words are the 220 sight words (plus 95 nouns) that are the most common in children's literature.

Students should be able to recognize and say these words instantly, without stopping to sound them out.

When students memorize these words through practice, their reading speed and comprehension should increase a great deal.

*This list has been slightly modified from the official Dolch Noun list.

- | | | | |
|----------------------------------|----------------------------------|-----------------------------------|---------------------------------|
| ☐ horse | ☐ nest | ☐ sheep | ☐ top |
